Funding Opportunities (submissions, deadlines, letters of intent - driven by program)

http://www.csrees.usda.gov/funding/application_info.html

NOTE: CSREES is now NIFA - National Institute of Food and Agriculture.

FYI - Ultimately all federally sponsored programs will use the Grants.gov portal for grant submissions - program websites specify applicability. Additionally, application proposals will be submitted in Adobe format unless sponsor specifically identifies otherwise.

Calls or RFAs that come into the CVM Research Office are forwarded to the entire faculty or specific groups with that research interest.
