

The University of Missouri Department of Veterinary Medicine and Surgery (VMS) invites applicants for three (3) Assistant, Associate or Full Professor (tenure track) or Assistant, Associate, Full Teaching Professor (non-tenure track) positions in Small Animal Emergency and Critical Care Service. Interested applicants please go to <http://hrs.missouri.edu/find-a-job/academic/index.php> to view complete job posting and to apply online for Job 18777.

The successful candidates will be expected to provide teaching and clinical service in the MU Veterinary Health Center, in the Small Animal Emergency and Critical Care section. Teaching activities will be clinical and didactic in nature, and will involve professional students, graduate students, resident veterinarians, and house officers. Some weekend and evening duty should be expected as part of the appointment. Scholarly activity will be an expectation of the position, but the nature and quantity of this activity will be dependent upon whether an individual is hired into a teaching or tenure track. The position is a 1.0 FTE/12 month appointment.

Qualifications

Applicants must have a DVM or equivalent degree and be eligible for professional licensure (faculty or regular license) as a veterinarian in the State of Missouri and be eligible to obtain and maintain DEA and BNDD certificates. Individuals must have completed a residency program that meets requirements for certification by the American College of Veterinary Emergency and Critical Care (ACVECC). Must be eligible to become Board Certified by ACVECC by start date.

Selection Criteria

Candidates will be assessed based upon clinical, educational, research and professional achievement and potential. Clinical experience, communication skills, organization skills, experience working effectively in diverse environments, and letters of reference will all be considered in selection of a candidate. Potential for candidates to work within the framework of the SAECC service and department will be assessed.

For more information about this position, please contact Dr. Tony Mann at MannF@missouri.edu.

Salary Range

Salary will be commensurate with training and expertise.

Application Materials

Interested candidates should go to <http://hrs.missouri.edu/find-a-job/academic/index.php> to apply online for **Job ID 18777**. Please be prepared to submit a letter stating professional interests and career goals, a curriculum vitae, transcript(s) and contact information including email addresses for three references.

Applications will be reviewed until suitable candidates are identified and hired.

Our Campus and Our Community

MU's Veterinary Health Center (VHC) is a state-of-the-art teaching and medical services facility for companion animals as well as livestock. Columbia, MO is an ideal location for such a teaching hospital. The population of central Missouri and reasonable proximity to St. Louis and Kansas City provide for a robust small animal emergency and referral caseload.

MU is a nationally competitive, global university. Many states fund separate research and land-grant universities, but Missouri combines those roles at its flagship institution. MU is both a land-grant university with a statewide mission of service to citizens and Missouri's largest public research university. Mizzou is one of only five universities nationwide that offers law, medicine, veterinary medicine and a nuclear research reactor on one campus.

MU is a national leader in comparative medicine, in which researchers collaborate by sharing discoveries, innovations and treatments for humans and animals. For more about the College of Veterinary Medicine and our impact on Missouri, the nation and the world, go to:

- Veterinary Medical Diagnostic Lab- <http://vmdl.missouri.edu/>

Four areas are especially strong and growing at Mizzou: **Food for the Future; Media of the Future; One Health, One Medicine;** and **Sustainable Energy**. Collectively these areas are called the **Mizzou Advantage**, a campus wide plan to build on exciting opportunities. **Mizzou Advantage - One Health, One Medicine** offers unmatched opportunities for collaboration in animal and human health. The initiative also connects with research and instruction in health care delivery, policy, business models, medical ethics and the culture of healthy living. MU's research and services in the area of One Health, One Medicine affects our lives in a variety of ways. Studies consistently rank Columbia as a top city in which to live for educational facilities, health care, technological savvy, economic growth, and cultural opportunities. The cost of living is still affordable, whether you prefer an apartment in the city, a farm on a country road or a family home near a top notch school. With a population of 108,500, Columbia is located in the heart of Missouri on Interstate 70. American Airlines connects Columbia Regional Airport with Dallas and Chicago. We have easy access to international airports from both St. Louis and Kansas City, as well.
