Mail this form and all requested supporting materials to: Office of Admissions, W-203 Veterinary Medicine Building, College of Veterinary Medicine, University of Missouri, Columbia, Missouri, 65211.
The person who gave you this form has applied to the University of Missouri College of Veterinary Medicine. The applicant believes you have had sufficient contact with him/her to provide an evaluation of qualities that might relate to future performance as a veterinarian. Your evaluation should be based on comparison with other students you have known. In the space provided, please indicate the peer group which you are comparing this applicant. It is important to complete and return this evaluation form. If you wish, you may attach a letter of recommendation.

IN MARKING THE EVALUATION, WE ENCOURAGE YOU TO FOLLOW THESE GUIDELINES:

Rate the applicant on a scale of 1 to 6 on the lines to the left of each statement. On this scale, a 6 is the highest possible rating and should be reserved for the most outstanding individuals based upon the particular characteristic. Accordingly, a 1 is the lowest rating and should be reserved for those individuals who are seriously deficient in this quality.

In order for this rating system to have maximum usefulness, we ask you to guard against inflating your ratings. It is assumed that the average applicant would receive ratings of 3 or 4 on some or all of the characteristics. If your rating is low average or below (1, 2, 3), please provide comments that would enable us to further evaluate the candidate. If you have no information or insufficient information to answer on a particular quality, put an X on the line. Where possible, expand your ratings by giving specific instances or descriptions of behavior in the space following each item. On the back page, please discuss other relevant instances or describe behavior of the applicant which led you to assign your rating. Your comments will greatly aid us in the evaluation of the applicant.

If you have any questions regarding the completing this form, please don’t hesitate to contact the Office of Admissions, at 573-884-3341. After completing this form, please return it to: University of Missouri College of Veterinary Medicine, W203 Vet Med Bldg., Columbia, MO 65211.

Thank you for your assistance.

The Family Educational Rights and Privacy Act (The Buckley Amendment) provides that, should the applicant matriculate, he/she will be entitled to inspect all records kept by the College of Veterinary Medicine, including the evaluation forms. However, the applicant may waive the right to inspect the evaluation form by signing in the appropriate place on the form.
