

Position Announcement

Emergency Staff Veterinarian

University of Missouri

Veterinary Health Center at Kansas City

The Department of Veterinary Medicine and Surgery at the University of Missouri invites applications for emergency veterinarians at the MU Veterinary Health Center at Kansas City. Qualifications for the position include a DVM or equivalent degree and a license to practice veterinary medicine in Missouri. Small animal practice experience is a requirement for the position. Emergency experience is desirable.

The MU Veterinary Health Center at Kansas City is currently an emergency only facility for small animals. We purchased the Animal Emergency Center from the estate of Dr. Karl Mischke, a long-time practitioner in Kansas City and a 1989 MU graduate. The Animal Emergency Center was established in 1997, built on a partnership of trust and cooperation with veterinarians who own and operate traditional clinics in the surrounding area. The purpose of the practice is to provide local veterinarians with affordable and responsive after-hours critical care services for their patients.

Our immediate goal is to hire veterinarians sufficient to staff the facility at its fully operational **emergency** hours of 6 pm to 8 am Mon-Fri, and noon Saturday to 8 am Monday. Ideally, we plan to hire full-time veterinarians; however, we are also interested in veterinarians looking for a part-time position.

Successful candidates will be expected to aid in the development of a state-of-the-art veterinary emergency practice that supports the vision of Dr. Mischke, and that communicates and establishes relationships with the referring veterinarians of the practice and their clients.

Interested applicants for the full-time position are invited to submit an online application to the University of Missouri at <https://info.umkc.edu/hr/careers/> (position # 26105) including a statement of your professional goals, resume, and names and addresses of three or more references. Questions about the position should be directed to either David A. Wilson, DVM, Hospital Director at 573-882-1700 or wilsonda@missouri.edu, or Peggy Bryan, Hospital Administrator at 573-882-1994 or bryanme@missouri.edu. If you are interested in a part-time position, please send your resume directly to either Dr. Wilson or Ms. Bryan.

Review of applications will begin immediately and continue until suitable candidates are identified. The start date is any time after May 1, 2018. Salary will be commensurate with experience.

Benefit Eligibility

The full-time position is eligible for University benefits. The University offers a comprehensive benefits package, including medical, dental and vision plans, retirement, paid time off, and educational fee discounts.
