Job Description

This practice is part of the University of Missouri Veterinary Health Center (VHC). The emergency clinic provides night and weekend patient care for animals that are critically ill, that are subject to change or may deteriorate rapidly, and that may require technically complex and time-consuming treatment and monitoring.

The veterinarian on duty will ensure proper patient care is provided, referring veterinarian and client communications meet expectations, and business protocols are followed. Responsibilities include but are not limited to the following:

- Examine and treat emergency patients
- Explain treatment protocols, including treatment risks, and estimated cost to clients
- Supervise staff employees, and lead them in being responsive and compassionate in providing emergency services to beloved pets
- Work with VHC administrators to install University systems for payroll, hospital information, etc.
- Work with VHC administrators and marketing staff to engage local practitioners to promote the hospital
- Address business and facility concerns to ensure practice is well run, safe and presentable
- Provide efficient service while not compromising the level of care offered

Salary – salary to be discussed

Signing Bonus – to be discussed

Schedule – The Veterinary Health Center – Kansas City is open Monday-Thursday 6 pm to 8 am, Friday 6 pm to Monday 8 am. Specific shifts to be discussed, but will include nights, weekends, and holidays.

Minimum Qualifications - A Doctor of Veterinary Medicine degree (DVM or equivalent) from an AVMA-accredited College of Veterinary Medicine. Must have and maintain an active DVM license in the State of Missouri. At least one year of clinical experience in a private practice with emphasis on emergency medicine.
