HORSE OWNER SEMINAR: KEEPING HORSES HEALTHY

NOVEMBER 2, 2024

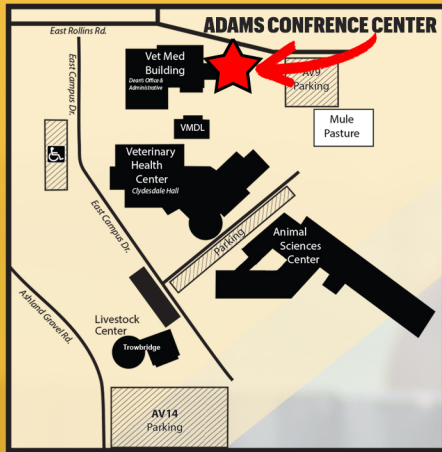

You are invited to the Horse Health Seminar Series and Open House, **Nov. 2, 2024**, at the University of Missouri College of Veterinary Medicine Adams Conference Center in Columbia. Join us for a series of educational talks covering a range of equine health topics. We will also offer tours of the Equine Hospital.

The Missouri Veterinary Medical Board has approved **6 hours of continuing education** credit for veterinary technicians.

Cost is **\$30** for general participants or **\$60** for CE credit.

Register online:
