| 1. Jesse Bowman - Because he keeps the Bacti lab running through thick and thin and is always on top of all the things! : Tamara Gull |
| 2. Izak Barnes - Izak has been a great team member on the barn crew in equine. We appreciate his hard work. Thank you! : Lynn Martin |
| 3. Keith Broadus - Keith has done an excellent job fitting into the CVM system. He's easily reachable and gets things fixed quickly. He's always fun to talk to and will leave a smile on your face! Thanks Keith! : Anonymous |
| 4. Izak Barnes - Izak has been prompt, efficient, and helpful while things are ramping up case-wise in the equine hospital. We are lucky to have someone that is so hardworking and pleasant to work with. : Anonymous |
| 5. Laura Gibson - On our equine barn crew team, Laura has been a great asset. She always is super receptive to requests and does a really nice job.: Lynn Martin |
| 6. Hanna Albright - Hanna is doing a terrific job in the Bacti lab and I am super bummed that she will be leaving us to go to graduate school! : Tamara Gull |
| 7. Josh Hardesty - Josh is always so amazingly efficient at getting the things done. I ask "do we have..." and boom, there it is!: Tamara Gull |
| 8. Tim (Timothy) Alder - Tim is SUCH a hardworker and always has the best attitude. He has always been such a bright light at work and is a joy to be around. I love that he is always playing music in the wards and that he will never fail to say hello in passing. He always keeps the wards well organized and clean. It makes me so happy that he knows my personal dogs by name and is always down for some puppy love. We are so grateful for you Tim! : Anonymous |
| 9. Marion Butcher - Marion never suspected when he joined the Bacti lab that doing Salmonella cultures was going to be a full-time job! : Tamara Gull |
